**University of Health Sciences and Pharmacy in St. Louis Alumni to Provide  
COVID-19 Vaccines in Bartelso, Illinois**

- WHO:** Alumni from St. Louis College of Pharmacy at University of Health Sciences and Pharmacy in St. Louis
- WHAT:** COVID-19 vaccine administration
- WHEN:** Wednesday, Feb. 10 from 10 a.m. to 1 p.m.
- WHERE:** Bartelso Elementary School gymnasium  
306 South Washington Street  
Bartelso, IL 62218

**SIGNIFICANCE:** Alumni from St. Louis College of Pharmacy at University of Health Sciences and Pharmacy in St. Louis (UHSP) will join representatives from the Clinton County Health Department to administer the COVID-19 vaccine to eligible residents in Bartelso. The alumni are volunteering their services to Bartelso residents with pre-scheduled appointments.

Members of the media are invited to attend the vaccination event to speak with St. Louis College of Pharmacy at UHSP alumna and local pharmacist, Renee Moore, who will be available to discuss her volunteer efforts to vaccinate local residents. Moore will also be available for photos.

*Editor's note: Media that are interested in attending the event may contact Shelene Treptow to make arrangements. She can be reached at 618-420-9170 or via email at [shelene.treptow@uhsp.edu](mailto:shelene.treptow@uhsp.edu).*

**About University of Health Sciences and Pharmacy in St. Louis**

For more than 155 years, University of Health Sciences and Pharmacy in St. Louis has provided a world-class education for health care leaders and innovators. Since its founding, the campus has been a place where future professionals and practitioners come together to learn, grow, challenge each other, and find new ways to tackle society's most pressing health care problems.

The University offers undergraduate, graduate and professional degrees. Undergraduate degrees prepare students for health professions careers and also serve as the foundation for graduate or professional study, while the University's Doctor of Pharmacy program prepares students to be leaders and innovators in the profession of pharmacy.
