

# TRANSFER TO UHSP: YOUR PATHWAY TO SUCCESS

## FIND YOUR PLACE. MAKE YOUR MARK.

**Tired of feeling like another  
face in the crowd?**

At University of Health Sciences and Pharmacy in St. Louis (UHSP), you will find a close-knit community where you are valued, challenged and supported every step of the way. Whether you are finishing your degree or preparing for a professional program, UHSP offers small class sizes, hands-on learning and direct access to faculty mentors—so you won't just blend in, you will stand out.

## WILL MY CREDITS TRANSFER?

We know how much time and effort you have put into your education, and we are here to make sure that your hard work pays off. At UHSP, we make transferring simple and stress-free, helping you maximize your credits, so you don't lose momentum on your path to a degree.

Our admissions team provides personalized support to review your completed coursework and determine how it fits into your academic plan. We are here to guide you through the process—step by step.

## GRADUATION REQUIREMENT FOR TRANSFER STUDENTS

To help ensure a strong academic foundation and meaningful engagement within your chosen major, all undergraduate transfer students are required to complete at least 30 credit hours at UHSP, including a minimum of 18 credit hours in upper-level courses (300-level and above). These residency requirements ensure your degree reflects the depth and quality of a UHSP education while still honoring the work you've already completed.
